To the New Fairfield Falcons Membership:

The New Fairfield Falcons Board of Directors is aware that there are individuals within our association who have put forth the idea of changing our affiliation to a different youth football league (e.g. American Youth Football) as soon as our next season.

We have reviewed this idea and can clearly state that we will not consider this change. We are well satisfied with the rules, ideals, structure and level of competition that our parent organization, Pop Warner Little Scholars, provides.

Enjoy your offseason, and

GO FALCONS!
